11. This is in response to your request of 5 September 1978 for certain data (by 8 September 1978) on the Agency's GS-18 and GS-17 officers.

In the short time frame available we have developed the attached report which includes the data requested less the "service summaries" which will require extensive manual work.

We will continue to work on this "project" as regards a revised report format which will include the service summaries.
